Surface Finishing
Equipment Group

The Surface Finishing Equipment Group provides a complete service to the Blast Cleaning and Surface Finishing industries. We sell, service and hire blasting cleaning equipment and spray painting equipment together with related spares and consumables.

We are dedicated to providing our customers with quality products and services giving value for money and complete satisfaction.

In order to achieve this we are developing a continual improvement culture throughout the business based on stated company quality objectives and the EN ISO 9001:2015 standard, customer and applicable regulatory requirements.

We aim to understand the requirements of both our customers and our colleagues and recognise the importance of **Safety, Training and Good Housekeeping**.

We view Quality as an essential company ethos in order to gain competitive advantage, in addition to enhancing our company's reputation and image.
