# GRACO ST MAX SPRAY UNIT

The perfect solution for residential applications and light commercial jobs. These electrically powered self contained units do not require the use of an air compressor.

- Manufactured by Graco - world-wide leader in painting equipment.
- Fully CE Marked 110 Volt European Model backed by UK warranty.
- Supplied ready to go with Gun, Line, Tip, Toolkit, bottle of TSL oil.
- Can be provided as a compact Stand Mounted unit for easy transport or cart mounted for mobility.
- Max spray pressure 3300psi.
- Features long life seals, and hardened steel cylinder.
- Compact, Brushless DC Motor delivers higher horsepower. No brushes to replace. Enclosed design protects motor from dust and overspray.
- Replaceable Filters on suction hose, pump outlet, and gun stops debris from entering pump, or going onto job.
- Finishpro Models feature air-assisted mode using built in air compressor for low pressure / fine-finish work.
- Typical materials - Emulsions, Dyes, Varnishes, Inks, Stains, Latex, Lacquers and Oils.
- A range of spares and accessories are also available such as lances.

ST Max Unit above with Gun, Hose, and Tip below (lance is optional)
