Equipment Group

## Graco Ultramax II and Mark V Sprayers

The Ideal choice for the professional spray painter. Ideally suited to interior or exterior painting jobs - renovation, new construction, and commercial contractors.

- Manufactured by Graco - the world-wide leader in spray painting equipment.
- Max Pressure - 3300psi.
- Fully CE marked 110 volt European model backed by UK warranty.
- Supplied ready to go with line, tip, toolkit.
- Ultramax complete with Contractor II Gun
- Mark V complete with Texture Gun suitable for both standard and high viscosity materials.

### Typical uses :

- Enamels, emulsions, urethanes, acrylic, latex and epoxies.
- Mark V model also suitable for fire retardant / intumescent coatings.

### Standard Series:

- Smart Control 3.0 Pressure Control
- Easy clean pump filter reduces tip clogs and ensures a quality finish.

### ProContractor Series:

As Standard Series plus addition of :

- LED Display
- Fastflush cleaning system
- ProConnect 2 Pump Removal System allows lower pump to be removed in seconds
- Watch Dog protection system preventing pump runaway and damage.
- Quick-Reel – wind and rewind up to 100 metres of paint hose.
