TriTech Electric Spray Units

The perfect solution for residential applications and light commercial jobs. These electrically powered self contained units do not require the use of an air compressor.

- Manufactured by TriTech – a group which manufacturers parts for military helicopters, missiles, super computers, and aerospace components.
- Fully CE Marked 110 Volt Model.
- Precision built, ultra reliable, long lasting airless sprayers
- Backed by Manufacturers Lifetime warranty on Motor, and Drivetrain (valid under normal use).
- Supplied ready to go with Gun, Spray Line, and Tip.
- Can be provided as a compact Stand Mounted unit for easy transport or cart mounted for mobility.
- Max spray pressure 3300psi.
- Unique Design enables easy servicing.
- Replaceable Filters on suction hose, pump outlet, and gun stops debris from entering pump, or going onto job.
- Typical materials - Emulsions, Dyes, Varnishes, Inks, Stains, Latex, Lacquers and Oils.
