## Graco Ultramax II / Mark V Units

The Ideal choice for the professional spray painter. Ideally suited to interior or exterior painting jobs - renovation, new construction, and commercial contractors.

- Manufactured by Graco - a world-wide leader in spray painting equipment.
- Fully CE marked 110 volt European model backed by UK warranty.
- Supplied ready to go with gun, line, tip, toolkit, and bottle of TSL oil.

### Typical uses :

- Enamels, emulsions, urethanes, acrylic, latex and epoxies.
- Mark V model also suitable for fire retardant / intumescent coatings.
- Max Pressure - 3300psi.
- Auto Clean two system cleans gun, hose, filters and unit independently.
- Watch Dog protection system preventing pump runaway and damage.
- Features long life seals, and hardened steel cylinder.
- Smart control with digital display.
- Easy clean pump filter reduces tip clogs and ensures a quality finish.
- Platinum models only feature hose reel, and remote pressure control.
