RPB NOVA 3 BLAST HELMET

The selection and use of the correct PPE is essential to effectively protect employees from risk or harm by creating a barrier against workplace hazards. As part of a system our RPB Nova 3 Blast Helmet provides essential protection from impact of abrasive, noise, and respiratory hazards.

The RPB Nova 3 Blast Helmet is our flagship helmet, and combines breakthrough protection technology with advanced comfort, convenience, and safety.

FEATURES AND BENEFITS :-

- Worlds most advanced shot blast helmet - Meets worldwide safety standards
- Extra large Viewing Window provides excellent forward and peripheral vision
- Patented "Fit and Click" Inner Lens replacement system takes around 10 seconds.
- Large Tough Window Latch can easily be released even wearing gloves
- Tear Off Lens System ensures only one outer lens is removed at a time
- Virtually unbreakable helmet shell
- High Visibility Bright Green Cape and Heat reflecting grey helmet
- Patent Pending Internal Padding System keeps comfort levels high and noise levels low
- Air distribution channel inside the helmet keeps helmet cool and reduces lens fogging
- Bellow Seal System keeps dusts and particles out
- Field Serviceable - all parts can be either replaced by hand or using an Allen Key
